

TV POD

PV43OC / PV55OC / PV65OC

WATERPROOF TV ENCLOSURES

The original TV Pod, for screens up to 65 inches, has been custom designed and built to UK safety, quality and durability standards. When securely closed, the TV Pod protects regular TVs from moisture, water and damage, both indoors and outdoors. Simply plug and play.

USE A REGULAR TV OUTDOORS

The TV Pod is a versatile and cost effective way of using a regular TV outdoors. The most popular application in residential environments is to stream popular TV apps such as Netflix, Amazon and BBC iplayer, watching live TV and gaming, to transform gardens into an 'outdoor living room'. The TV Pod is a popular choice Instead of purchasing an outdoor TV.

KEY FEATURES

FRONT CASE, TV, BRACKET & BASE UNIT

ROBUST AND DURABLE

The back case is made from ABS/ASA (PV) rendering it high impact, scratch and UV resistant with a professional sleek finish.

FULLY SEALED WATERPROOF POD

The sealed TV Pod Plus enclosure is IP65 waterproof rated and can be left outside all year around. A clever yet discrete cabling management system keeps all wiring and cables free from moisture.

UV PROTECTED

Made from ABS/ASA with UV-cured protective hard coating, the latest material technology moulded in three sizes and fully UV protected to avoid any dulling, tarnishing and fading.

ANTI -THEFT

Engineered to protect you from tampering, theft or vandalism. Latches can be secured with padlocks to keep the TV/display inside the enclosure secure.

AFFORDABILITY

Put old TVs to good use as an outdoor TV. It's more cost effective to house a regular TV in a TV Pod Plus enclosure than making a long term investment in digital signage, tooling. For a short to medium term solution, using the TV Pod Plus enclosure is the most cost effective solution on the market.

LIGHTWEIGHT

Using a plastic material means the units are light in weight starting from 10kgs compared to traditional metal units

PERFORMANCE

Audio and visual experience unaffected when in use. Simply remove front case, plug and play.

MADE IN THE UK

We are proud to say we make this product in the UK which ensures we have the best quality control.
